PRESBYTERIAN CHURCH**
Called to be a Light on the Hill

November 4, 2019

Dear Church Family,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear Liz,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear Martha,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear Michael,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear Vernon & Paulette,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

November 4, 2019

Dear Mike & Pam,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

**FIRST UNITED
PRESBYTERIAN CHURCH**
Called to be a Light on the Hill

November 4, 2019

Dear James & Betty,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. Called to be a Light on the Hill

November 4, 2019

Dear Mary Lu,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear Phil & Melissa ,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear Bill & Angie,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear Neil & Judy,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear James & Margaret,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear Edward & Vickie,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

November 4, 2019

Dear Jeannie,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

FIRST UNITED
PRESBYTERIAN CHURCH
Called to be a Light on the Hill

November 4, 2019

Dear Mary,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

**FIRST UNITED
PRESBYTERIAN CHURCH**
Called to be a Light on the Hill

November 4, 2019

Dear Billie Jo,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. Called to be a Light on the Hill

November 4, 2019

Dear Bill & Deeg,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear Lin & Debbie ,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear Kurt & Lisa,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear Sally,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Called to be a Light on the Hill

November 4, 2019

Dear Joseph & Samantha,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

November 4, 2019

Dear E. Jane,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Called to be a Light on the Hill

November 4, 2019

Dear Kathy,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

**FIRST UNITED
PRESBYTERIAN CHURCH**
Called to be a Light on the Hill

November 4, 2019

Dear Christopher & Gisela,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. Dear Bob & Nancy,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

It is exciting to think about how this new ministry will bless our church.

This fall, the ministry teams and the session of the church have spent considerable time discerning how we can best serve God as disciples of Christ. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear George & Quetta ,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. In response to input from the congregation, we will soon have a communications ministry that will be responsible for coordinating communication about the church's activities to the congregation and the community. The plans and decisions that have been made are reflected in the enclosed 2020 Challenge Budget. Our goal for this year's pledge campaign is \$638,885, which is a 6.48% increase in pledged income. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Dear John & Erin,

First United Presbyterian Church is thriving. In the past year, we received over 30 new members. We have a wonderful new space for fellowship before and after worship. Due to the generosity of many members, our church has been blessed financially and the physical campus is beautiful. We have a talented staff that is devoted to the mission of the church. The increase includes funding for a new communications ministry, funding to increase the use of music and liturgical arts to enhance worship, a 5.5% increase in the outreach ministry budget, funding for more fellowship opportunities for new members, youth and young adults, an increase in camp and conference scholarships, and a cost of living increase for pastors and staff.

Now, it is time for each of us to prayerfully discern how we will support our church and the work God is doing through our congregation and denomination. We invite you to reflect on the meaning of "Gospel Generosity." Gospel Generosity is giving out of gratitude in response to the grace we have received, the grace we learn of from the gospels. Gospel Generosity is giving that fulfills the two great commandments from the gospels: to love God with all our heart, soul, mind, and strength and to love our neighbors as ourselves. When we give in this way, God multiplies our giving, just as Jesus multiplied a gift of five loaves of bread and two fish to feed thousands.

This Sunday, November 10, is Stewardship Challenge Sunday. In worship we will hear the story of Zacchaeus from the Gospel of Luke. In this story of Gospel Generosity, Zacchaeus responds to Jesus' kindness with gratitude and surprising generosity. Between services, we invite you to join us in Fellowship Hall for the Stewardship Challenge Brunch. The brunch will be a time for both fellowship and reflection and an opportunity to learn more about the ministry needs set forth by the Session in our 2020 Challenge Budget. We encourage you to join us for the brunch beginning at 9:30 in the Fellowship Hall. The food and beverages will be provided – including sausage gravy and biscuits.

The following Sunday, November 17, will be Stewardship Dedication Sunday. At the beginning of the Spiritual Growth hour, we will gather in Fellowship Hall for a performance of the classic story "Stone Soup" presented by the children of our church. It is a wonderful story of townspeople giving their all to help one another and some strangers that were traveling through. The worship service will focus on a story of a widow who loved God and gave her all to Him. We will take communion in remembrance of God's grace and bring our Pledge Cards and Time and Talent Forms forward. Additional Time and Talent Forms will be available so all can pledge to serve and be involved. If you are unable to attend church that Sunday, please return your Pledge Card and Time and Talent Form by Sunday, December 1, 2019. It is possible to pledge and submit your Time and Talent form online. Please see the back of the enclosed pledge card for instructions. We look forward to seeing you at the brunch and on Dedication Sunday.

Blessings,

The Stewardship Ministry Team—Amy Rossetti (Moderator), Chris Bell, Art Gust, Walt Manger, Buzz Roberts, Fred Shefte, Coleman Ward, and Teresa Weeks
