Dear Members and Friends,

We are honored to introduce ourselves as your Stewardship Campaign Co-Chairs for 2022. We have been members of FUPC since 1975. This church family helped us nurture our three children and 14 foster children, for this we are truly grateful.

“Living in Gratitude” is the theme of this year’s Stewardship Campaign. We have all endured months in which we have come to treasure little things—a handshake, a hug, the smile of a friend or loved one we have not seen in too long a time. Through all this our church continued to walk with us in innovative ways made necessary by the pandemic. And

And whatever you do, in word or deed, do everything in the name of the Lord Jesus, giving thanks to God the Father through him. Col. 3:17

through all this our members and

friends have been faithful to honor their financial pledges as they were able and made generous additional contributions for special needs, such as our individual assistance fund.

Again this fall we ask you to be in prayer with your family and take stock of the commitment you might make of your time and money to the work and mission of the church in 2022. You will be hearing more from us about the schedule for receiving your pledges and what we are able to do together this year as part of the Stewardship Campaign.

Mark your calendar:
Stewardship Brunch
Sunday, November 7
9:30-10:30 Fellowship Hall
and Zoom One

What are you grateful for? What are some ways you can express that gratitude? What commitments to your church and community are you able to make for the coming year? May we all be in thoughtful prayer as we move into our stewardship season and prepare to celebrate the birth of our Savior.

With peace and blessings,

Dennis and Lorraine
