Pledging Online

You will find an online pledge card on the church website.

- Go to fupcfay.org.
- Select "Annual Giving" from the "GIVE" menu.

On the same webpage, you can fill out your Spiritual Gifts Assessment or print out additional copies of the form.

For children under 12, there is a Time, Talent and Treasure Sheet that may be printed from the webpage.

Automatic Bank Drafts

Giving by automatic bank draft is safe and secure. The simplicity of giving by automatic bank draft benefits both you and the church. It is easiest and most cost effective for the church to process this type of transaction. Your contribution will automatically be made so you will not need to remember to send your check when you are out of town, worry about forgetting your check on Sunday mornings or rush to write a check during worship. The church will receive your pledge regularly. You can still participate in the offering by using the generosity cards found in the pews. Please consider giving by automatic bank draft. For more information, contact the church Financial Administrator, Laura Winburn (442-4411 or lwinburn@fupcfay.org).

Giving Online

The church website

fupcfay.org/give

offers a number of giving opportunities through the church's accounting system. To use the system click on the blue "Donate" button. You will be redirected to a form. You will see a box that says "Choose a fund." Click on the downward triangle to the right to select the fund or offering you wish to give to. Thank you!
