

# SUMMER SUNDAY MORNING BOOK STUDY

Dysvangelical names a theology that is distorted, dysfunctional and dystopian, twisting the good news of God's grace into a message of fear, partisanship and exclusion

“This book is a timely and accessible guide and conversation partner for those who want to articulate their faith as Presbyterians in a positive manner—not as who they are not but what they believe about God and the good news of Jesus Christ and how that translates into faith in action. The authors invite readers to a grace-filled Presbyterian discipleship and witness toward God's wholeness in God's beloved world.”—Jihyun Oh, Stated Clerk of the General Assembly of the Presbyterian Church (U.S.A.), Executive Director of the Interim Unified Agency
